Introduction

Introduction

Test

This frame has the section, subsection as frametitle, framesubtitle.

Overwritten | Overwritten, again

This frame has a custom frametitle, framesubtitle.

Image

A new section

A new section

Mathematics

A new section

Readable Mathematics 42 | Mathematics

There should be a sectionpage before this frame (potentially two, if you have activated the AtBeginSection part above, or even three if a subsectionpage is also inserted).

This frame should have a new separator between section and subsection

A new section ✦ Mathematics

This frame should have a levelled background with different height than before

A new section ✦ Mathematics

This frame should also have a levelled background, but again with different height
